Thank You CASA Volunteers!

Domestic Violence and Sexual Assault

The Justice Clearinghouse covers the topic of Domestic Violence on a regular basis: through the webinars we hold, the articles we write, as well as the articles we curate from other respected sources.

Begin or enhance your knowledge about how to investigate, prosecute and supervise Domestic Violence offenders by reviewing some of the information below.

Upcoming Webinars

Mary M. Walsh
Sara E. Mahoney

04 / 29 / 2020

The New York State Domestic Violence Fatality Review Board: Implications for Probation

This webinar will provide an overview of the NYS Office for the Prevention of Domestic Violence Fatality Review Initiative. It will present the goals and objectives of the board as [...]

05 / 06 / 2020

Victim Rights in a Post-Epstein World

A failure to accord victims their rights can derail the investigation or prosecution of a case, and deny victims the voice that legislatures have mandated they have. This session, taught [...]

04 / 16 / 2020

Traumatic Brain Injury: It's Not Just about Football

When most people think of concussions, they think about sports injuries or perhaps car accidents. They don't think of Domestic Violence victims. When a football or soccer player gets [...]
